4.199 GPA

Committed: Univ. of Florida

Alec carries a 4.199 GPA and is a member of the National Honor Society. Most recently she was recognized with the Celebration of Excellence at Scioto High School by the Faculty. Alec is a member of the Club Athlete Leadership Council representing her club within the LOVB organization. She is the Chair of the Service Committee for Student Senate and coordinated the "Trick or Treat so Kids Can Eat" Food Drive. She also coordinated the Dublinathon drive in support of the Cure for Cancer in partnership with The Ohio State University. She participated in a Fundraiser "Volley for the Cure" for both Cancer and Cystic Fibrosis. Alec has been the Captain of her Club Team the past two years, as well as High School Volleyball and Basketball Team Captain. She and her sisters started their own lawn care business in the summer and in the winter. She is an active member of Fellowship of Christian Athletes. She is part of the USA Volleyball U19 National Training Team and Development Program, and trained and volunteer coached with the Men's Volleyball program at her High School this Spring where she helped both JV and underclassmen get more confident and share what she has learned throughout her eight years of club volleyball, while also improving her game.
