ATHLEADERS

Daniela Staton

2026 Libero/DS

Tribe Volleyball Club

5.81 GPA

Daniela is a member of Girls in Science, Marine Biology Club and Student Government Association. She made the Headmaster's List and received an Academic Scholarship to attend American Heritage High School. She is the Founder of Women Inspiring Women, a video podcast celebrating inspiring women in her community. In addition, Daniela is involved in Education Rocks, an organization that sponsors the education of students in developing countries, as well as Friends of Foster Children, where she organizes donations and volunteers at events for foster children. She was selected to the Youth Advisory Board of Constituting America whose mission is educating and empowering Americans on the US Constitution. She also spends her time in STEM Squad, a mentorship program for high school students to engage in STEM activities with young students at community development centers, including Boys & Girls Club, Milagro Center, and Florence Fuller Development Center of Palm Beach County.
