Parker is an AAU Academic All-American and AP Scholar. He is a member of National Chinese Honor Society, Social Studies Honor Society, and is on the Executive Board of the Glenbard West NHS. As a Senior Mentor he was selected to orient incoming freshman to the high school through summer events and after-school meetings. He was voted 2022/2023 Captain of his HS Boys Volleyball Team and 630 VBC Team Captain. He coached his Special Olympics Basketball Team to a bid to State. Parker assists special-needs participants in group settings such as sports camps, and participates in Park District programs as a 1:1 aide. He was a Dining Services Worker at Kenneth Moy DuPage County Convalescent Center last summer placing specified food per patient requirements and transporting completed trays to resident floors, while engaging with patients. In addition, Parker was a self employed handyman from September 2020 to May 2022, assisting an elderly couple weekly with yard work, garbage removal, and home projects. Parker was a Junior Zookeeper at Cosley Zoo and conducted primary research through observation of zoo animals' behaviors using an ethogram so that zookeepers can identify health issues and analyze behavioral trends. He presented animal "discovery stations" to educate and engage visitors and answered questions about animals and the zoo exhibits. In 2022 he received the "One with the Animals Award" for logging the most animal observation hours.
