Sydney has been inducted into the National Honor Society and has been on the Summa Cum Laude honor roll throughout her high school career which resulted in her receiving an academic letter. In addition to volleyball, Sydney also plays soccer and basketball for her high school. Sydney was named the captain of her high school volleyball team this fall due to her leadership, positivity, and ability to help and encourage others. Sydney was voted president of her 4-H club in 2021 and treasurer in 2022, while also serving as vice president of her freshman class. During the pandemic, Sydney led a google meet to tutor youth math. In the summer of 2021, she was presented with the Model Gator award for the 13/14 age group on her swim team. This award is given to a swimmer who works hard, is a role model, shows team spirit, and is willing to lend a hand whenever it is needed. Sydney works as a custodian at one of the preschools in town and also enjoys refereeing soccer games. Through Club Interact, she participated in many community service activities such as making tie-blankets for the children's hospital, dog toys for the animal hospital, decorating the younger schools' hallways, and making cards for seniors, teachers, and active service members. She has also helped at her local food pantry, restocking the shelves, and packaging and organizing the food. Another service opportunity she has taken part in is helping the athletic trainer at her school. Sydney is a member of the Barneveld Area Community Band, Mount Horeb Community Band, High School Book Club, summer swim team, 4-H, Forensics and Girls Who Code.
